

WHAT PARENTS CAN DO

TO PREVENT UNDERAGE DRINKING AND HOW ALCOHOL AFFECTS THE TEENAGE BRAIN

FREE!

WHEN: NOVEMBER 20, 2013
TIME: 7:00 - 9:00 PM
WHERE: MICHELANGELO EVENTS & CONFERENCE CENTRE
1555 UPPER OTTAWA ST., HAMILTON, ON

COLLABORATIVE RESPONSE TO CORONER'S INQUEST ON TEENAGE DRINKING

THE STRATEGIES FOR PARENTS TO PREVENT UNDERAGE DRINKING resource and supporting video have been developed in response to the inquest held into the 2010 alcohol poisoning death of a local youth. Join us for the launch of these resources!

GUEST SPEAKER

Come hear Garfield Gini-Newman, a Senior Lecturer at OISE/University of Toronto, speak on alcohol and the teenage brain.

WHO SHOULD ATTEND?

Parents, guardians, educators, and others interested in supporting youth in our community are invited to join us.

TO REGISTER

Email Rita Aker at Rita.Aker@hamilton.ca or call 905 546-3162 by Monday, November 18. Seating is limited, so register today!
