

Dear Parents and Guardians of Potential 2014 Graduates

Planning for Graduation 2014 is already upon us. There are a number of very important activities, events, and time lines to meet in regards to planning for a successful graduation in which every one is able to fully participate. Please read and review the Graduation Information Sheet (on-line) or the copy your child will soon be bringing home, and then make arrangements to fulfill and meet the time lines. Failure to meet the time lines may jeopardize your child's participation in Graduation activities. For further information please see our website at cn.hwcdsb.ca or call 905-523-2314, extension 3109. We thank you very much in advance for your cooperation.
